Internship Offer

Dear Rutvik,

Greetings for the day!

Further to our discussion and the interview, we would like to offer you an internship at **Infopercept Consulting**.

You will be a part of our **Cybersecurity Development Team**.

Your designation will be – ‘**Junior Software Engineer - Intern**’, with an estimated date of joining as **2nd December, 2024**.

Your internship will be for a duration of **6 months**.

We do not have any Bond system, but we have a **Loyalty Bonus** clause as below:

Your monthly stipend during the internship will be: ₹ **15000/-**

An amount of ₹ **10000** will be given to you each month as fixed stipend.

The remaining ₹ **5000** will be accumulated and an amount of ₹ **60000** will be credited to your account upon completion of 1 year with us.

In case you leave the job or are terminated due to behavioural issue, the above amount will be null & void.

On successful completion of the internship and based on the performance, you will be taken on the permanent rolls of the company.

We would like to congratulate you and welcome you to the team!

Sincerely,

Nitin Pathak
